Unity3D	Regex
Android Studio	MySQL
C#	Java
Python	Markdown
PHP	.Net Framework
Perl	Bash Script

## My Portfolio: [RhysDentPortfolio.ca](https://RhysDentPortfolio.ca)

## Work Experience

### Web Developer

February 2021 to March 2021

#### Prometheus Property Management

- Developed a responsive ReactJS website to help promote the business to property owners
- The project was entirely collaborative, I would provide suggestions and examples and my employer would provide feedback until the website was perfectly tailored in terms of function and presentation

### Lime Scooter "Juicer"

August 2019 to Present

#### Neutron Holdings, Inc.

- Collected and recharged scooters for the following day
- Loaded and unloaded approximately 40 scooters per trip and completed 2 - 3 trips per night. Each scooter is either 30 lbs or 45 lbs, depending on the model
- Worked long and late hours. Starting around 9:00 PM and finishing around 7:00 AM
- Was responsible for my own schedule and hours

### File Clerk and Moving Crew Member

March 2019 to July 2019

#### Advantage Oil and Gas

- Reorganized several important well filing systems
- Moved furniture, equipment, etc. for an office of approximately 40 people from the 3rd to 22nd floor.

### Line Cook

May 2012 to December 2018

#### Richmonds Pub and Eatery

- Employed for periods of either part time or on-call work
- Had to quickly adapt to new menu items and working with new team members
- Offered general support to all parts of the kitchen

### Expediter

September 2015 to September 2016

#### Earl's West Hills

- Helped manage employees during peak hours
- Was responsible for all menu items immediately after the leaving the kitchen
- This included quality checking each item as well as coordinating cooks and servers in a manner that would ensure the customer received their meal promptly after cooking

### Line Cook and Expediter

January 2009 to June 2013

#### Earl's Willow Park

- Kept up to date with seasonal menu changes and entirely new roll outs
- Managed a unit of cooks (typically four) as part of a larger team
- Was responsible for appropriate food stock levels on line, in accordance with projected sales
- Often served around \$10,000 worth of food in sales during dinner hours
- Was responsible for cleaning and sanitizing the station and equipment at the end of the shift
